

DO WE HAVE YOUR CURRENT DETAILS?

Sutton Park School should **always** have current contact details in case your child becomes ill or if there is an emergency. We update our parent lists constantly, we have inputted your contact details provided to us on your Application Form for Admission, but, if for any reason your details have changed since, we would appreciate if you could complete this form and return to the School. An **important** requirement is parent emails and mobile numbers, this helps with our regular communication to parents. In addition, if your details change during the year, please **advise Reception at 839 9400**. We ask separated parents to give the details of the parent with whom the child(ren) normally reside(s) during the week under Parent 1.
